Committees:
The Millbury Street Fair is still on and will take place on September 26th. Discussion ensued. The parade will start at noon and the vendors will begin at 11:00 a.m. There are only 10 parade applicants at this time.

Councilmen Sanders and Abbey attended a storm water issues conversation with other public entities. Trustee Bowan put this together. The main issue is that Millbury residents are dumping their storm water into the sanitary which bogs it down. We need to encourage them to fix it. Northwest Water and Sewer has a grant program to help with this cost. Could the Village also offer a grant program to its residents? Clerk Densc will check into this. Discussion ensued.

The application for the grant/loan for streets was submitted to the OWPC.
