The lift will be back in a week. The parts are finally in from Skyworks.

We will take poles and flags to the Walbridge VFW and they will provide new poles and flags worth \$500.00.

Mr. Spitler has been trying to contact Hirzel's so we may deliver the brush that we mulch. Woodville Rd. Nursery no longer takes it.

The back-flow preventer will be inspected and the restrooms at the concession stand will be turned on tomorrow.

Columbia Gas also needs to repair Cherry St. due to the repairs they made last fall.

Councilman Sanders has to get a release from Scott Sheets to give to Lake Township before we can hire him.

**Zoning Commissioner: by Jeff Mraovich**

Fences on Wight, Wesley and Michelle were put up without a permit. A letter for a RV not registered has resulted in the RV being registered. A fence permit was issued. There is still a question as to what can be built on the lot next to the Pub.

The property owners at 1350 South have until April 24<sup>th</sup> to get their property cleaned. If this is not done they will be invoiced \$250.00 for us to clean it up. They will also be issued a \$50.00 fine until a boat is removed from the property.

**Motion** by Sanders to pay the bills, issue the warrants, review and approve the financial reports. Second by Clapsaddle. Roll Call: All yea! Motion carried.

**Committee Reports:**

Recreation Committee: Softball is starting. A gator may be donated to drag the fields. The question is where can we store it. Our health department license covers the softball teams selling hot foods as long as classes are taken to learn about this.

Disc golf at Passive Park is being worked on by Councilman Sanders with the EPA.
