**Street Commissioner:** per Keith Nusbaum, Street Commissioner

Mr. Nusbaum will have his projects for 2021 at the budget meeting. He would also like to purchase a saw to cut concrete for \$1,500.00. He can do this after we approve permanent appropriations. There is a flag stuck at the Memorial because the pulley is broke. All the street lights have been replaced in the village.

**Zoning Commissioner:** by Jeff Mraovich

Mr. Mraovich took several calls in the past month for properties that are being refinanced. Our solicitor sent the old school owners a letter concerning the parking of campers in the parking lot. Clerk Densic will get Mr. Mraovich a copy of the ordinance concerning farm animals. He was also called regarding a fence but they will get back to him.

Mr. Mraovich would like to change the permit policy. He will draw up what he wants to change so the council can discuss it.

The website is up and running. The new web address is [villageofmillbury.us](http://villageofmillbury.us). The only thing that is left is the zoning information

**Motion** by Densic to pay the bills, issue the warrants, review and approve the financial reports. Second by Harpel. Roll Call: All yea! Motion carried.

**Committee Reports:**
