The Village mowed the grass at the house on Center/795. The Council discussed how much to charge for mowing this lawn. Clerk Densic will forward the ordinance to all Council. We may want to amend the ordinance to charge more for mowing.

The Street Committee will meet to determine what streets in the Village are at most in need of crack sealing. The Mayor will then contact the township to set up a time we can borrow their equipment or contract with them to do the work for us.

We will re-evaluate what to do with the old bleachers once the 150th Anniversary is over.
